*With Children Gospel Rally*

Here we are, getting ready for another season of Christmas celebrations. Millions of people all over the world will be having some form of commemoration, even though most people will have no idea what they are really celebrating. People will talk about how fast time has passed by, how things have changed, how they are wishing that things would be better in the coming year. The whole season will come and go very quickly, and people will return to their routine in life until the next reason for holidaying and partying; the next one being the New Year.

Have you ever wondered why human beings find a need to do such a thing as marking festivals, anniversaries, birthdays and the like? There are more than 9 million living species on earth, and the human being is the only being marking time. No other living being on earth cares about matters like age, passage of time, celebrating events, etc. For that matter, no other living being on earth would ask the simple question, "Why?" Indeed, why is this so?

The answer lies in the fact that the human being is no ordinary being – the Bible reveals that every human being is made in the image and likeness of God. This very special status is only given to the human being, to you and I. Because we are made in God's image and likeness, we are qualitatively different from any other living being on earth. No matter how many times in history people tell us that there is no God, and that at the end of our life, everything simply ceases to exist for us, we know instinctively deep inside of us that there is more to our life than just simple existence. This is why religion will never disappear from the world.

If life is not just about existing, the most important question must then be what the true meaning of life is all about. Throughout the ages, countless people have attempted to answer that question. Looking at the terrible state of the world today, it is clear that humanity cannot provide the answer. Only God can give us the answer we need so desperately, and His answer was thankfully revealed on the first Christmas day.

Find out more at our Christmas Gospel Rally and find the real answers you need in life!

我们又到了准备迎接又一个圣诞节的时候了。全世界数百万人都会以某种形式来庆祝圣诞节，尽管大多数人根本不知道他们到底在庆祝什么。人们会谈论时间过得有多快，世界发生了怎样的变化，他们多么希望来年一切会变得更好。整个圣诞季转瞬即逝，人们会回到日常的生活中，直到下一个节日和派对的来临；而下一个节日就是新年。

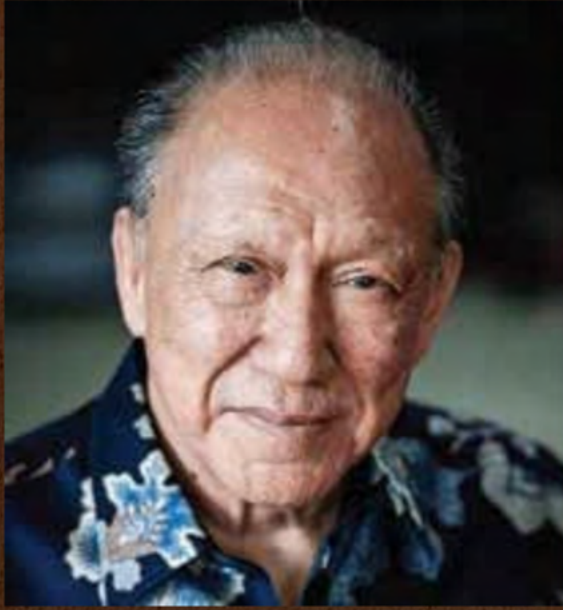

你有没有想过为什么人类需要庆祝节日、纪念日、生日等？地球上共有九百多万种生物，而人类是唯一会在意时间的活物。地球上没有其他生物会关心年龄、时间流逝、庆祝活动。简单点说，地球上没有其他生物会问一个简单的问题：“为什么？”确实，为什么会这样？

答案在于人类并非普通的活物——圣经告诉我们，每个人都是按照上帝的形象和样式创造的。这种特殊地位只赋予人类，只赋予你我。因为我们是按照上帝的形象和样式创造的，所以我们与地球上任何其他生物都有本质上的区别。无论历史上有多少人告诉我们没有上帝，告诉我们生命的尽头会一无所有，我们内心深处都本能地知道，生命不仅仅是简单的存在。这就是为什么宗教永远不会从世界上消失的原因。

如果生命不仅仅是存在，那么最重要的问题就是生命的真正意义是什么。几千年来，无数人试图回答这个问题。纵观当今世界的可怕状况，人类显然无法自己找到答案。只有上帝才能给我们迫切需要的答案，而祂的答案在第一个圣诞节那天就得到了揭示。

请来参加我们的圣诞佈道会，找到你生命里需要的真正答案！
